

CONSTRUCTION
CAREER ACADEMY

A NEW CAREER IN 10-WEEKS!

START YOUR CAREER IN CONSTRUCTION

**NEW CLASSES FOR CONSTRUCTION
CAREER ACADEMY START EVERY
3 MONTHS.**

Our 10-week apprenticeship readiness program includes 80-hours of instruction and prepares students for a construction apprenticeship by focusing on taking and passing a union entrance exam.

Students learn about different pathways into construction and how to thrive in their new construction career.

Topics of instruction include:

Construction Math, Interview Techniques, and Workplace Retention Skills.

TRADES COVERED INCLUDE:

Carpenter, Electrician, Glazier, Operating Engineer, Plumber, Roofer & Water Proofer, Sheet Metal, Sprinkler Fitter, Steamfitter & Industrial Pipefitter.
